

Mash Tini's

Yukon Gold Potato Purée Ingredients:

5 Yukon Gold Potatoes
1 cup Butter
1 ½ cup Cream
Salt and Pepper to taste

Yukon Gold Potato Puree Preparation

Peel the potatoes and place in Tupperware Colander. Fill the 3 qt. Tupperware Casserole container with water (to level of bottom of colander). Cook on high for 12-13 minutes. Strain the potatoes and place on a sheet tray in a 450° oven until dry. (About three minutes.) In Chef Series 3 qt. saucepan melt the butter with the cream and bring to a simmer. Mash the potatoes in the Quick Chef and place in Mix'N Stor Pitcher, whisk in the warm cream and butter. Remash in Quick Chef for very creamy potatoes. Season the potatoes with salt and pepper.

Serve in Martini glasses with your favorite potatoe toppings!
